I especially loved some of the poems in Hindi and English."</p> <p>A Couple Of Observations :</p> <p>1. Please use the script appropriate to your language. Many students have written punjabi poems or hindi poems in Roman (English) script which is very odd and inappropriate.</p> <p>2. I would love that your thought process becomes a little more progressive when we keep glorifying a woman because she is a daughter/wife/mother. We are only revealing our patriarchal mindset. " वह भी एक तरह का मनुवाद ही है। यदि हम थोड़े और तरक्कियसंद। हो जाए तो औरत को हर रूप में स्वीकार करेंगे।" Let's celebrate her education, her dreams, her ambitions, her mischief, her everything.</p> <p>Thank you Dr Shelly Narang for your precious time and unbiased judgement.
