workshop aligned with the college's focus on environmental sustainability, heritage and cultural preservation. Resource persons included Dr Rachna Srivastava, Program Officer of Community Medicine and School of Public Health at PGIMER Chandigarh, Dr Poonam Khana, Associate Professor, of Community Medicine and School of Public Health at PGIMER Chandigarh and Mr Vikas Chawla, Chef of IFCA Punjab (Core Hospitality).

Dr Rachna Srivastava opened the workshop with an expert lecture on health benefits of nutria-cereals, emphasizing their role in preventing chronic diseases and promoting overall health. Dr Poonam Khanna followed with a discussion of the nutritional benefits of millets, highlighting their environmental sustainability and rich properties. The workshop also included a cooking competition challenging participants to create healthy and delicious dishes using millets as the main ingredient. The event concluded with a cooking demonstration by MrVikas Chawla, a renowned chef and author who specializes in traditional and millet-based cuisine. He gifted his book on traditional Dishes to the college library. He demonstrated two recipes such as Barnyard Millet

## Outcomes:

It provided a platform for students to learn from the experts and hone their writing skills. The workshop included comprehensive and informative Sessions by three academicians. Dr Rachna Singh, former IRS Officer and Author in her session titled 'The Art of Short Story Writing' discussed different narrative styles and encouraged the participants to find the style that suits the story. She emphasised importance of developing a plot, creating characters, and building tension. The session concluded with a creative writing exercise and Dr Rachna gifted her book to two students, who excelled in the exercise. The importance of developing a critical bent of mind was emphasised by Prof Gurudesh Singh, Former Head, Department of English GNDU, Amrtsar in his session titled 'A Creative Mind at Work'. He Provided prompts and exercises to students to generate new ideas and explore different writing styles. He encouraged the participants to experiment with different genres and styles to find their unique voice. Ms Arvinder Kaur, Poet and Principal (Retd), Govt College DeraBassi in her session titled 'Haikal' An introduction to Japanese Poetry' discussed the different elements of Haikai, focusing on the English Language haiku. She highlighted the cultural significance of haiku and its impact on contemporary poetry. Each session included an interactive session where students queries were thoroughly answered by the Resource Person.

## Computer Interfacing Experiments using expEYES

April 3, 2023

### Organising Committee

Institution Innovation Council and PG Department of Physics Sri Guru Gobind Singh College in collaboration with Indian Association of Physics Teachers, Regional Council-3

- Dr Ajith Kumar B.P. Scientist H, IUAC, New Delhi

### Outcomes:

During one-day hands-on workshop on computer interfacing using expEyes, the practical demonstrations and experiments conducted during the workshop deepened participants' understanding of computer interfacing and its applications. Attendees gained confidence in using expEyes for future experiments and research projects. The workshop fostered networking and collaboration among participants, creating opportunities for future joint projects and initiatives.

## Workshop

*One Billion Rising Campaign 2023*

March 28, 2023

## Organising Committee

PG Department of Sociology in collaboration with Institution Innovation Council

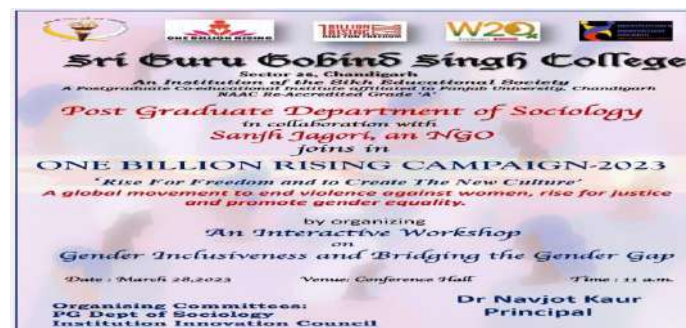

## Resource Persons

- **Prof. Jyoti Seth**, Retd Prof and Head, PG Dept of Sociology, PG GCG-42, Chandigarh
- **Prof. Iqbal Judge**, Retd Prof and Head, PG Dept of English, PG GCG-11, Chandigarh
- **Ms Neeraj Aggarwal**, Retd Associate Professor and Head, PG Dept of English, PG GCG-11, Chandigarh

## Outcome:

One Billion Rising recently announced its 2023 theme and campaign: *Rise For Freedom and to Create the New Culture*. To commemorate the same theme and campaign, PG Department of Sociology collaborated with *SanjhJagori*, an NGO for organizing an interactive workshop on gender inclusiveness with an objective of bridging the gender gap. Three renowned and intellectually vibrant social impact leaders of the NGO *SanjhJagori* were the revered resource persons of this interactive workshop, i.e., Prof (Retd) Jyoti Seth, Head of the PG Department of Sociology, PGGCG-42, Chandigarh; Prof (Retd) Iqbal Judge, Head of the PG Department of English, PGGCG-11, Chandigarh and Ms Neeraj Aggarwal, Associate Prof (Retd), Head of the PG Department of English, PGGCG-11, Chandigarh.

Workshop was attended by 50 students and 15 faculty members. Convenor of the workshop was Dr Rimplejeet Kaur, Head of the PG Department of Sociology, SGGs College, Sector 26, Chandigarh. Resource persons showcased a documentary for shedding light on the problems faced by young women and actions that were taken by them to resolve those problems. Documentary visuals highlighted the narratives of women and these

	<p>narratives were thematically constructed around a common problem faced by women. The major problems raised in the documentary were centered around gender inequalities and biases, i.e., the experiences of women with men, sexual harassment, safe public places and so on. A deliberate but thoughtful attempt was made to ensure that the visuals of each problem raised in the documentary were followed up by a live discussion with the workshop participants. These discussions spurred the participants to brainstorm and openly share their thoughts. A few participants also found strength to open up on their experiences on sexual harassment, especially eve teasing. The workshop helped</p> <p>Participants understand that the need of hour is to awaken collective conscience on gender problems and eliminate gender biases that are posed to them in their routine schedule.</p> <p><a href="https://drive.google.com/drive/folders/1yRbsKSGM_jcsdaf7QrLcZtX0_9mSJ80TH">https://drive.google.com/drive/folders/1yRbsKSGM_jcsdaf7QrLcZtX0_9mSJ80TH</a></p>

## Webinar

Webinar on “Artificial Intelligence and Chat GPT”

March 11, 2023

## Organising Committee

PG Department of Computer Science in collaboration with Prof. Puran Singh Science Society, SGGS College, Sector 26, Chandigarh

## Resource Persons

- **Dr Amandeep Kaur** Professor, Department of Computer Science & Technology, Dean, School of Engineering & Technology, Dean, School of Information & Communication Studies, Central University of Punjab, Bathinda

## Outcomes:

The webinar covered a wide range of topics related to artificial intelligence, natural language processing (NLP), and ChatGPT and provided an overview of AI, its applications, and its impact on society. The resource person explained different types of AI, such as machine learning, deep learning, and neural networks, and how they are used in real-world applications. The webinar introduced ChatGPT, which is an AI-powered language model that can perform a wide range of tasks such as generating text, answering questions, and completing sentences. Participants learnt how ChatGPT works, how it is trained, and how it can be used in various applications. It also showcased some real-world applications of AI and ChatGPT, such as virtual assistants, chatbots, and intelligent search engines. Lastly, the question answer session allowed participants to get a better understanding of these topics and clarify their doubts. Participants were empowered with the knowledge to make informed decisions about the role of Artificial Intelligence and ChatGPT in their personal and professional lives.

## One day Workshop

*Workshop on Research Paper Writing and ICT Handling*

**February 20, 2023**

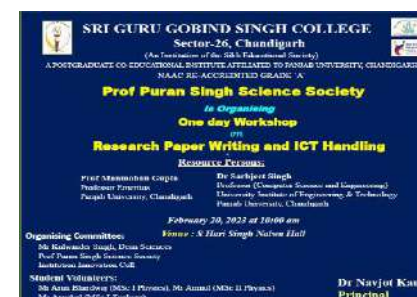

### Organising Committee

Dean Sciences, Prof Puran Singh Science Society and Institution Innovation Council

## Resource persons

- **Prof Sarbjeet Singh**, Department of Computer Science and Engineering, University Institute of Engineering and Technology, Panjab University, Chandigarh
- **Prof Manmohan Gupta**, Professor Emeritus at Panjab University, Chandigarh.

This event was a great success, providing postgraduate students with valuable insights and knowledge about research paper writing. The event was well-attended, and the students found the lectures by Prof Sarbjeet Singh and Prof Manmohan Gupta to be engaging and informative. The lectures helped the students learn about recent developments in machine learning and understand the importance of clear and concise writing in academic research and provided useful tips to enhance their writing skills. The workshop was successful in achieving its objectives of educating and encouraging the students to pursue research and innovation in their academic careers.
