MESSAGE

I extend my sincere commendations to the collective efforts of the Department of Higher Education and the esteemed faculty of the Colleges, on the auspicious unveiling of the eighth iteration of the Online Joint Prospectus for the Centralized admission process in Government and Privately Managed Aided Colleges of Chandigarh, for the forthcoming session spanning 2024-2025.

This Digital Prospectus, distinguished by its enhanced interactivity, accessibility, and scalability, boasts a discernible advantage owing to its user-friendly interface, cost-effectiveness, and the wealth of comprehensive information it offers within a unified platform. It brings me great satisfaction to observe the proactive outreach of city colleges to students across the country through this digital avenue, thereby contributing to the realization of the vision encapsulated by "Digital India."

Recognizing education as a potent instrument for fostering both individual growth and societal progress, I earnestly implore students to seize this invaluable opportunity and endeavor to enrich their knowledge to the fullest extent possible.

As our nation approaches a pivotal juncture in its journey, with higher education assuming a paramount role in the nation-building endeavor, I am confident that the implementation of the New Education Policy in city Colleges during this academic session will facilitate the cultivation of a culture conducive to flexible, lifelong learning, empowering students to chart their academic trajectories culminating in the attainment of certificates, diplomas, and degrees.

In conclusion, I reiterate my resounding applause for the Department of Education and the esteemed faculty for their commendable efforts in presenting this comprehensive Online Joint Prospectus for the forthcoming academic session 2024-25.

Best wishes.

MESSAGE

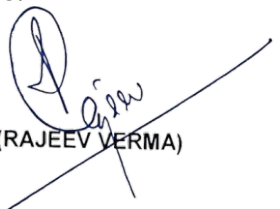

I extend my sincere commendations to the collective efforts of the Department of Higher Education and the esteemed faculty of the Colleges for the unveiling of the Eighth Online Joint Prospectus, facilitating a centralized online admission process for Government and Privately Managed Aided Colleges in Chandigarh for the academic year 2024-25.

The inception of the Online Joint Prospectus resonates with the ethos of the "Digital India" initiative, providing a unified platform for students nationwide to access comprehensive information pertaining to colleges in UT Chandigarh.

Education, as a cornerstone of societal progress, bears profound significance in shaping individual trajectories. Its transformative potential empowers individuals, fostering a paradigm shift in mindset while nurturing confidence and enhancing personal development. Education serves as a conduit for knowledge acquisition and skill enrichment and stimulates holistic growth.

Furthermore, the impending implementation of the National Education Policy (NEP) heralds a watershed moment, poised to revolutionize the educational landscape by recalibrating regulatory frameworks and governance structures to align with the evolving needs and aspirations of 21st century society.

I extend my heartfelt felicitations to the Education department and the dedicated faculty members for their proactive endeavours in embracing the tenets of the New Education Policy and for their instrumental role in launching the Online Joint Prospectus, thereby facilitating the realization of educational aspirations for undergraduate students in their inaugural and subsequent semesters.

MESSAGE

I express my commendation for the faculty of PGGC-11 for their commendable efforts in formulating an all-inclusive and comprehensive Online Joint Prospectus 2024-25, facilitating its accessibility to prospective students while ensuring transparency and convenience in the admission process. It is gratifying to observe the esteemed reputation acquired by Chandigarh colleges across both academic and non-academic domains. The students' prowess and excellence in various spheres, including academics, sports, extracurricular activities, vocations, and life skills, underscore the diverse opportunities provided by these institutions to foster motivation, confidence, and global citizenship while upholding ethical standards.

Furthermore, I extend congratulations to city colleges for their phased implementation of the New Education Policy, which endeavors to address the diverse developmental imperatives of the nation while advancing the principles of social justice and equity. This policy signifies a paradigm shift in education, aiming to institute radical reforms that enhance quality and integrity across all educational levels, from early childhood care education to higher education. It represents a seminal breakthrough in restructuring the regulatory and governance frameworks of education to align with the evolving needs and aspirations of 21st century society.

In closing, I offer my heartfelt greetings and felicitations to all stakeholders involved in this pioneering initiative, recognizing their collective commitment to shaping a progressive educational landscape in tune with the aspirations of contemporary society.

MESSAGE

I am writing to express my deep admiration for the remarkable work the team has accomplished under the mentorship of Prof. Punam Agrawal in formulating the comprehensive Online Joint Prospectus. Your dedication to creating an all-inclusive resource has significantly enhanced accessibility for prospective students across India, enabling them to seamlessly seek admission into the esteemed colleges under the Chandigarh Administration.

The meticulous detail and thoroughness evident in the prospectus are commendable. You have successfully captured the essence of the excellent educational ecosystem provided by both the government and aided colleges. This environment not only nurtures academic excellence but also prepares students to contribute meaningfully to contemporary society and the future of our country.

Implementing NEP 2020 in Chandigarh's higher education system is crucial as it promises a paradigm shift by fostering holistic and multidisciplinary education. The policy emphasizes flexibility in course choices, allowing students to tailor their education to their interests and career goals. By integrating vocational education and internships, NEP 2020 aims to bridge the gap between academic learning and industry needs. It also promotes the use of technology and digital tools, enhancing access to quality education. Furthermore, the focus on research and innovation will drive academic excellence and socio-economic development, preparing students to contribute effectively to a rapidly evolving global economy.

Your efforts have undoubtedly created a valuable tool that will guide countless students towards their academic and professional aspirations. Thank you for your commitment to excellence and for making a positive impact on the educational landscape of India.

Warm regards

MESSAGE

It is my honour to extend my sincere felicitations to the distinguished teams from the Department of Higher Education and the faculty of the Colleges, as they mark the inauguration of the Online Joint Prospectus for the Centralized admission process in Government and Privately Managed Aided Colleges of Chandigarh, ushering in the academic year of 2024-25.

This important endeavor demonstrates the unparalleled dedication and visionary foresight of this esteemed group of people, ready to skillfully and effectively navigate the challenges of academia. This is not just the beginning of a new prospectus. It is also paving the way to transformative educational paradigms, supported by innovation, inclusivity, and accessibility.

The digital world today has become the undeniable link between connectivity and knowledge dissemination. Taking a cue from this trend, the advent of the Online Joint Prospectus signals a paradigm shift in the landscape of higher education. It embodies the convergence of technology and teaching, transcending geographical barriers and making education available to everyone.

Education, a cornerstone of societal progress, challenges and eliminates ignorance and prejudice. It allows us to rise above our circumstances, realize our potential and contribute meaningfully to the society that provides us with these resources. To that effect, the launch of Online Joint Prospectus symbolizes the facilitation of academic pursuits and re-emphasizes the pivotal role played by education in shaping and furthering human potential and societal progress, so we may contribute meaningfully to the society.

The effects of this initiative extend far beyond the confines of Chandigarh, impacting the educational landscape of the entire nation. It represents the spirit of "Digital India" by using technology to make education more accessible and effective. It signifies not just the culmination of a bureaucratic process but rather the commencement of a transformative journey, guided by knowledge, innovation, and excellence.

In conclusion, I reiterate my heartfelt appreciation to the entire team of the Department of Higher Education and the esteemed faculty of the Colleges, for their exemplary efforts as pioneers of this new era. I am sure that the Online Joint Prospectus will serve as a beacon of inspiration to the generations of scholars who come after us.

DISCLAIMER

The National Education Policy, 2020 (NEP) aims for a comprehensive overhaul of the education system, rooted in Indian values, to propel India, or Bharat, into a sustainable, equitable, and knowledge-driven society. Central to this vision are pillars of Access, Equity, Quality, Affordability, and Accountability. NEP 2020 promises to equip the youth to tackle both national and global challenges by fostering multidisciplinary education, institutional autonomy, quality research, teacher development, technology integration, internationalization, governance restructuring, and curriculum diversification.

In higher education, NEP 2020 advocates for a holistic approach, emphasizing multidisciplinary learning, institutional autonomy, and quality research facilitated by the National Research Foundation. It underscores the importance of continuous teacher development, technology integration, and international collaboration. The policy also aims to revamp governance and regulatory frameworks, diversify curricula, enhance pedagogy, improve assessment methods, and promote content availability in Indian languages.

For further details: kindly visit to the website of Govt. of India :

https://www.education.gov.in/sites/upload_files/mhrd/files/NEP_Final_English_0.pdf

The Panjab University has decided to implement NEP-2020 w.e.f academic session 2024-25 in its affiliated colleges vide letter no. D-DCDC/24/179 dated 23.04.2024.

THE FUNDAMENTAL PRINCIPLES OF THE POLICY

- **Recognizing, identifying, and fostering the unique capabilities of each student**, by sensitizing teachers as well as parents to promote each student's holistic development in both academic and non-academic spheres.
- **Flexibility**, so that learners have the ability to choose their learning trajectories and programmes, and thereby choose their own paths in life according to their talents and interests;
- **No hard separations** between arts and sciences, between curricular and extra-curricular activities, between vocational and academic streams, etc. in order to eliminate harmful hierarchies among, and silos between different areas of learning.
- **Multidisciplinary and a holistic education** across the sciences, social sciences, arts, humanities, and sports for a multidisciplinary world in order to ensure the unity and integrity of all knowledge;
- **Emphasis on conceptual understanding** rather than rote learning and learning-for-exams.
- **Creativity and critical thinking** to encourage logical decision-making and innovation;
- **Ethics and human & Constitutional values** like empathy, respect for others, cleanliness, courtesy, democratic spirit, spirit of service, respect for public property, scientific temper, liberty, responsibility, pluralism, equality, and justice;
- **Promoting multilingualism and the power of language** in teaching and learning;
- **Life skills** such as communication, cooperation, teamwork, and resilience;
- **Focus on regular formative assessment for learning** rather than the summative assessment that encourages today's 'coaching culture';

- **Extensive use of technology** in teaching and learning, removing language barriers, increasing access for Divyang students, and educational planning and management;
- **Respect for diversity and respect for the local context** in all curriculum, pedagogy, and policy, always keeping in mind that education is a concurrent subject;
- **Full equity and inclusion** as the cornerstone of all educational decisions to ensure that all students are able to thrive in the education system;
- **Synergy in curriculum across all levels of education** from early childhood care and education to school education to higher education;
- **Teachers and faculty as the heart of the learning process** – their recruitment, continuous professional development, positive working environments and service conditions;
- A **'light but tight' regulatory framework** to ensure **integrity, transparency, and resource efficiency** of the educational system through audit and public disclosure while encouraging innovation and out-of-the-box ideas through autonomy, good governance, and empowerment;
- **Outstanding research** as a co requisite for outstanding education and development;
- **Continuous review** of progress based on sustained research and regular assessment by educational experts;
- **A rootedness and pride in India**, and its rich, diverse, ancient and modern culture and knowledge systems and traditions.
- **Education is a public service**; access to quality education must be considered a basic right of every child;
- **Substantial investment in a strong, vibrant public education system** as well as the encouragement and facilitation of true philanthropic private and community participation.

THE VISION OF THIS POLICY

- To contribute directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower.
- To develop a deep sense of respect towards the fundamental duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world through curriculum and pedagogy of institutions.
- To instill a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

In this regard, it is important for all the applicants seeking admission in 1st year BA (Hons.)/ Bsc (Hons.) /Bcom (Hons.)/ BBA (Hons.)/ BCA (Hons.), BA (Hons.) with Research/ Bsc (Hons.)/BCom (Hons.)/ BBA (Hons.)/ BCA (Hons.) .4 year degree programme under NEP 2020 to read, understand and comprehend the NEP 2020 document, its provisions as applicable to Higher Education. A few important and relevant highlights are outlined below. A detailed presentation in this regard is also uploaded on the website <http://dhe.chd.gov.in/> for further clarification in the matter.

CURRICULUM AND CREDIT FRAMEWORK FOR UNDERGRADUATE PROGRAMMES

In accordance with the NEP 2020, UGC has formulated a New Student-Centric “Curriculum and Credit Framework for Undergraduate Programmes (CCFUP)” incorporating

- ✓ Flexible Choice-Based Credit System
- ✓ Multidisciplinary Approach
- ✓ Multiple Entry and Exit Options

This will facilitate students to pursue their career path by choosing the subject / field of their interest.

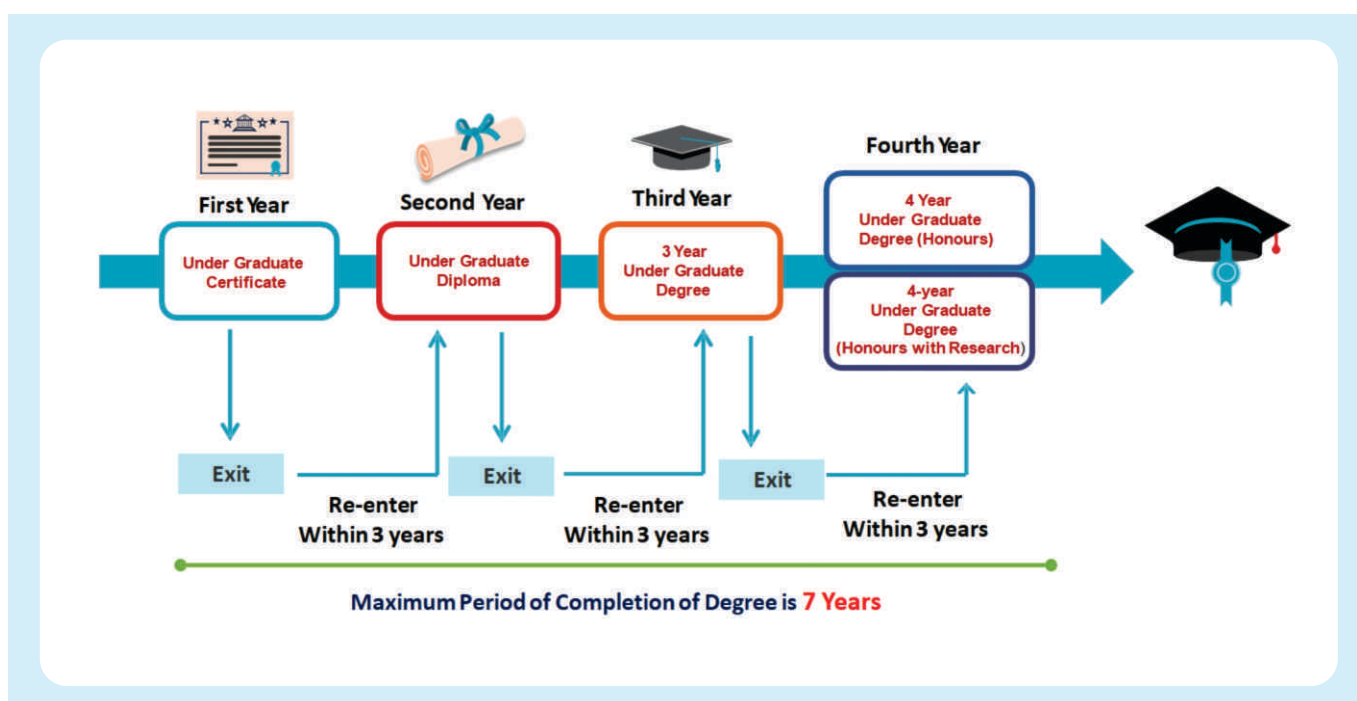

CERTIFICATION AND DURATION OF STUDY WITH MULTIPLE ENTRY & MULTIPLE EXIT OPTIONS

The undergraduate degree will have a flexible duration of either three or four years, with multiple exit and multiple entry options during this period. The table and an exhibit given below outlines the various certifications a student can earn at different stages of their undergraduate study:

Table: CERTIFICATION EARNED AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME

Duration of Study	Semesters Completed	Certification Earned
4 Years	Eight Semesters	Bachelor’s Degree(Honours)
		Bachelor’s Degree(Honours and Research)
3Years	Six Semester	Bachelor’s Degree
2 Years	Four Semesters	Undergraduate Diploma
1Year	Two Semesters	Undergraduate Certificate

Exhibit: CERTIFICATION EARNED AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME

SEMESTER AND CREDIT STRUCTURE

A standard academic year is divided into two semesters, each semester spanning a minimum of 15 weeks. In addition to this, an eight-week summer term is also included in the academic calendar.

During the summer term, students are encouraged to engage in internships, apprenticeships or work-based vocational education and training. This is particularly beneficial for students who plan to exit after two or four semesters of study.

CREDIT REQUIRED FOR CERTIFICATION AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME

Multiple Exit and Entry Options

Programme Exit	Credits Required	Additional Requirement	Awarded	Re-Entry to Degree
After Year 1	48 Credits	Completion of one 4- credit vocational course/internship/ apprenticeship (in addition to 6 credits from Skill based course) during summer vacation of year 1.	UG Certificate	Within three years of exit
After Year 2	96 Credits	Completion of one 4- credit vocational course/internship/apprenticeship course during summer vacation of year 2.	UG Diploma	Within three years of exit
After Year 3	144 Credits	Compliance with minimum credit requirements specified in regulations	3 Year UG Degree	Within three years of exit
After Year 4	192 Credits	Compliance with minimum credit requirements specified in regulations	4 Year UG Honours Degree	NA
After Year 4(Honours with Research)	192 Credits(including 12 Credit Research Project/Dissertation)	75% and above marks in the first six semesters, completion of a research project/dissertation under faculty guidance in the major discipline.	4 Year UG Honours with Research Degree	NA

ELIGIBILITY FOR UNDERGRADUATE PROGRAMMES

Specific eligibility criteria for pursuing undergraduate degrees in the Arts, Science or Commerce disciplines are specified in the Admission Guidelines of PU for the academic session 2024-25. These are also reproduced later in this document.

COMPONENTS OF THE STRUCTURE / CURRICULUM FRAMEWORK OF UNDERGRADUATE PROGRAM

In the inaugural year of the undergraduate program, students will have the opportunity to create a multidisciplinary academic plan. This will include the following elements:

Course Type	Description
Major Core	The Central area of study chosen by the student.
Minor Stream	An additional area of study selected by the student, typically outside their major discipline.
Multidisciplinary/ Interdisciplinary course (MDSC)	Course intended to broaden the intellectual experience and from part of liberal art and science education other than their major and minor stream.
Ability Enhancement Courses (AEC)	Courses in English and Modern India Language aimed at enhancing language and communication skills.
Skills Enhancement Courses (SEC)	Practical courses designed to enhance the application of knowledge and provide hands-on experience.
Value-Added Courses (VAC)	Extra course that provide additional knowledge and skills beyond the curriculum.

Curricular components of the undergraduate programme

The curriculum consists of major stream courses, minor stream courses and courses from other disciplines, language courses, skill courses, and a set of courses on Environmental education, understanding India, Digital and technological solutions, Health & Wellness, Yoga education, and sports and fitness. At the end of the second semester, students can decide either to continue with the chosen major or request a change of major. The minor stream courses include vocational courses which will help the students to equip with job oriented skills.

a) **Disciplinary/interdisciplinary major (72 credits for three year UG & 112 credits for four year UG):**

The major would provide the opportunity for a student to pursue in-depth study of a particular subject or discipline. Students may be allowed to change major within the broad discipline at the end of the second semester by giving her/him sufficient time to explore interdisciplinary courses during the first year. Advanced-level disciplinary/interdisciplinary courses, a course in research methodology, and a project/dissertation will be conducted in the seventh semester. The final semester will be devoted to seminar presentation, preparation, and submission of project report/dissertation. The project work/dissertation will be on a topic in the disciplinary programme of study or an interdisciplinary topic.

b) **Disciplinary/interdisciplinary minors (24 credits for three year UG & 32 credits for four year UG):**

Students will have the option to choose courses from disciplinary/interdisciplinary minors and skill-based courses relating to a chosen vocational education programme. Students who take a sufficient number of courses in a discipline or an interdisciplinary area of study other than the chosen major will qualify for a minor in that discipline or in the chosen interdisciplinary area of study. A student may declare the choice of the minor and vocational stream at the end of the second semester, after exploring various courses.

Vocational Education and Training: Vocational Education and Training will form an integral part of the undergraduate programme to impart skills along with theory and practical. A minimum of 12 credits will be allotted to the 'Minor' stream relating to Vocational Education and Training and these can be related to the major or minor discipline or choice of the student. These courses will be useful to find a job for those students who exit before completing the programme.

c) Courses from Other Disciplines (Multidisciplinary) (09 credits): All UG students are required to undergo 3 introductory-level courses relating to any of the broad disciplines given below. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education. Students are not allowed to choose or repeat courses already undergone at the higher secondary level (12th class) in the proposed major and minor stream under this category:

i. Natural and Physical Sciences: Students can choose basic courses from disciplines such as Natural Science, for example, Biology, Botany, Zoology, Biotechnology, Biochemistry, Chemistry, Physics, Biophysics, Astronomy and Astrophysics, Earth and Environmental Sciences, etc.

ii. Mathematics, Statistics, and Computer Applications: Courses under this category will facilitate the students to use and apply tools and techniques in their major and minor disciplines. The course may include training in programming software like Python among others and applications software like STATA, SPSS, Tally, etc. Basic courses under this category will be helpful for science and social science in data analysis and the application of quantitative tools.

iii. Library, Information, and Media Sciences: Courses from this category will help the students to understand the recent developments in information and media science (journalism, mass media, and communication)

iv. Commerce and Management: Courses include business management, accountancy, finance, financial institutions, fintech, etc.,

v. Humanities and Social Sciences: The courses relating to Social Sciences, for example, Anthropology, Communication and Media, Economics, History, Linguistics, Political Science, Psychology, Social Work, Sociology, etc. will enable students to understand the individuals and their social behaviour, society, and nation. Students be introduced to survey methodology and available large-scale databases for India. The courses under humanities include, for example, Archaeology, History, Comparative Literature, Arts & Creative expressions, Creative Writing and Literature, language(s), Philosophy, etc., and interdisciplinary courses relating to humanities. The list of Courses that can include interdisciplinary subjects such as Cognitive Science, Environmental Science, Gender Studies, Global Environment & Health, International Relations, Political Economy and Development, Sustainable Development, Women's and Gender Studies, etc. will be useful to understand society.

d) Ability Enhancement Courses (AEC) (08 credits): Modern Indian Language (MIL) & English language focused on language and communication skills. Students are required to achieve competency in a Modern Indian Language (MIL) and in the English language with special

emphasis on language and communication skills. The courses aim at enabling the students to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills, that help students articulate their arguments and present their thinking clearly and coherently and recognize the importance of language as a mediator of knowledge and identity. They would also enable students to acquaint themselves with the cultural and intellectual heritage of the chosen MIL and English language, as well as to provide a reflective understanding of the structure and complexity of the language/literature related to both the MIL and English language. The courses will also emphasize the development and enhancement of skills such as communication, and the ability to participate/conduct discussion and debate.

e) Skills Enhancement Courses (SEC) (09 Credits) : These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. The institution may design courses as per the students' needs and available institutional resources.

f) Value-Added Courses (VAC) Common to All UG Students (6-8 credits) These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. The institution may design courses as per the students' needs and available institutional resources.

i. Understanding India: The course aims at enabling the students to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among student-teachers of the Indian knowledge systems, the Indian education system, and the roles and obligations of teachers to the nation in general and to the school/community/society. The course will attempt to deepen knowledge about and understanding of India's freedom struggle and of the values and ideals that it represented to develop an appreciation of the contributions made by people of all sections and regions of the country, and help learners understand and cherish the values enshrined in the Indian Constitution and to prepare them for their roles and responsibilities as effective citizens of a democratic society.

ii. Environmental science/education: The course seeks to equip students with the ability to apply the acquired knowledge, skills, attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change, and pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. The course will also deepen the knowledge and understanding of India's environment in its totality, its interactive processes, and its effects on the future quality of people's lives.

ii. Digital and technological solutions: Courses in cutting-edge areas that are fast gaining prominences, such as Artificial Intelligence (AI), 3-D machining, big data analysis, machine learning,

drone technologies, and Deep learning with important applications to health, environment, and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.

IV. Health & Wellness, Yoga education, sports, and fitness: : Course components relating to health and wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual, and environmental well-being of a person. Sports and fitness activities will be organized outside the regular institutional working hours. Yoga education would focus on preparing the students physically and mentally for the integration of their physical, mental, and spiritual faculties, and equipping them with basic knowledge about one's personality, maintaining selfdiscipline and self-control, to learn to handle oneself well in all life situations. The focus of sports and fitness components of the courses will be on the improvement of physical fitness including the improvement of various components of physical and skills-related fitness like strength, speed, coordination, endurance, and flexibility; acquisition of sports skills including motor skills as well as basic movement skills relevant to a particular sport; improvement of tactical abilities; and improvement of mental abilities.

The HEIs may introduce other innovative value-added courses relevant to the discipline or common to all UG programmes.

g) Summer Internship /Apprenticeship (2 – 4 credits) : A key aspect of the new UG programme is induction into actual work situations. All students will also undergo internships / Apprenticeships in a firm, industry, or organization or Training in labs with faculty and researchers in their own or other HEIs/research institutions during the summer term. Students will be provided with opportunities for internships with local industry, business organizations, health and allied areas, local governments (such as panchayats, municipalities), Parliament or elected representatives, media organizations, artists, crafts persons, and a wide variety of organizations so that students may actively engage with the practical side of their learning and, as a by-product, further improve their employability. Students who wish to exit after the first two semesters will undergo a 4-credit workbased learning/internship during the summer term in order to get a UG Certificate.

Community engagement and service: The curricular component of 'community engagement and service' seeks to expose students to the socio-economic issues in society so that the theoretical learnings can be supplemented by actual life experiences to generate solutions to real-life problems. This can be part of summer term activity or part of a major or minor course depending upon the major discipline.

Field-based learning/minor project: The field-based learning/minor project will attempt to provide opportunities for students to understand the different socioeconomic contexts. It will aim at giving students exposure to development-related issues in rural and urban settings. It will provide opportunities for students to observe situations in rural and urban contexts, and to observe and study actual field situations regarding issues related to socioeconomic development. Students will be given opportunities to gain a first-hand understanding of the policies, regulations, organizational structures,

processes, and programmes that guide the development process. They would have the opportunity to gain an understanding of the complex socio-economic problems in the community, and innovative practices required to generate solutions to the identified problems. This may be a summer term project or part of a major or minor course depending on the subject of study.

h) Research Project / Dissertation (12 Credits) : Students choosing a 4-Year Bachelor’s degree (Honours with Research) are required to take up research projects under the guidance of a faculty member. The students are expected to complete the Research Project in the eighth semester. Total		144	192

Note: Honours students not undertaking research will do 3 courses for 12 credits in lieu of a research project/Dissertation.

Credit Hour Allocation for Different Course Types

The workload associated with a course will be measured in terms of credit hours. One credit hour is equivalent to one hour of instructional time per week over the duration of a semester (minimum 15 weeks).

Credit Hours per Course Component

The weekly and semester-wise instructional hours associated with each credit for different components are as follows:

Table: Credit Hours per Course Component

Course Component	Weekly Hours per Credit	Total Hours in a 15 - week Semester
Lecture	1 Hour	15 Hours
Tutorial	1 Hour	15 Hours
Practicum	2 Hours	30 Hours
Seminar, Internship, Studio Activities, Field Practice/Projects, Community Engagement and Service	2 Hours	30 Hours

Letter Grades and Grade Points

The Semester Grade Point Average (SGPA) is computed from the grades as a measure of the student's performance in a given semester. The SGPA is based on the grades of the current term, while the Cumulative GPA (CGPA) is based on the grades in all courses taken after joining the programme of study. The HEIs may also mention marks obtained in each course and a weighted average of marks based on marks obtained in all the semesters taken together for the benefit of students.

Letter Grade	Grade Point
O (outstanding)	10
A+ (Excellent)	9
A (Very good)	8
B+ (Good)	7
B (Above average)	6
C (Average)	5
P (Pass)	4
F (Fail)	0
Ab (Absent)	0

Computation of SGPA and CGPA

The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

I. The SGPA is the ratio of the sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$SGPA (S_i) = \frac{\sum(C_i \times G_i)}{\sum C_i}$$

Where C_i is the number of credits of the i th course and G_i is the grade point scored by the student in the i th course.

UGC recommends the following procedure to compute the SGPA CGPA

$$SGPA (S_i) = \sum(C_i \times G_i) / \sum C_i$$

C_i is the number of Credits of the i th Course and

G_i is the grade point scored by the student in the i th course.

Example for Computation of SGPA

Semester	Course	Credit	Letter Grade	Grade Point	Credit Point (Credit × Grade)
I	Course 1	3	A	8	3×8=24
I	Course 2	4	B+	7	4×7=28
I	Course 3	3	B	6	3×6=18
I	Course 4	3	O	10	3×10=30
I	Course 5	3	C	5	3×5=15
I	Course 6	4	B	6	4×6=24
		20			139
SGPA					139/20=6.95

$$CGPA = \sum(C_i \times S_i) / \sum C_i$$

S_i is the SGPA of the i th semester and

C_i is the total number of credits in that semester

Example for Computation of CGPA

Semester 1	Semester 2	Semester 3	Semester 4	Semester 5	Semester 6
Credit: 21 SGPA:6.9	Credit: 22 SGPA:7.8	Credit: 25 SGPA:5.6	Credit: 26 SGPA:6.0	Credit: 26 SGPA:6.3	Credit: 25 SGPA:8.0
CGPA=6.73(21×6.9+22×7.8+25×5.6+26×6.0+26×6.3++25×8.0)/145					

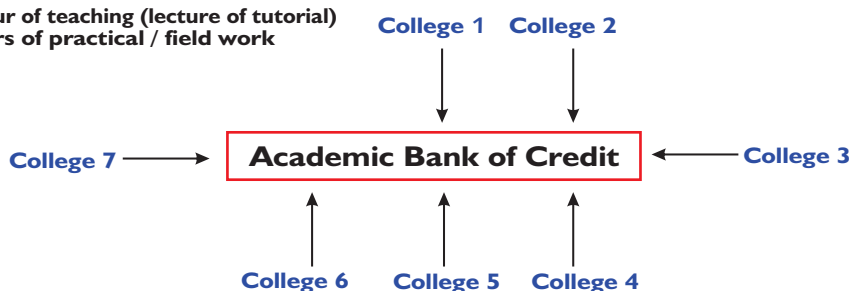

Academic Bank of Credit (ABC)

Under NEP 2020, the students are required to store credits for the completion of learning journey. Academic Bank of Credits (ABC) is a platform provided by Govt. of India that stores the information of the credits earned by an individual students throughout his/her education programme.

An Academic Bank of Credit (ABC) of each student, will be established which would store the academic credits earned by a student from various recognized HEIs, so that the degrees from an HEI can be awarded taking into account the total credits earned.

Credit-Based

* 1 Credit = 1 hour of teaching (lecture or tutorial)
= 2 hours of practical / field work

Each student is required to register on ABC.com. The steps to register **on ABC** are as follows:

1. Login to DigiLocker. Student with DigiLocker Account can create ABC ID.
2. Search for Education. Education category shows Academic Bank of Credits service.
3. Create ABC ID. Select your University and click on Generate ABC ID.
4. Accumulate Credits. Students can check accumulated credits by logging into abc.gov.in.

How it works?

Credits get deposited

Institution A

Transfer of Credits

Redeem Credits

Institution B

“Credits awarded to a student for one program from an institution may be transferred / redeemed by another institution upon students consent”.

Credit transfer is the key to successful student mobility.

“ Continuous learning is the minimum requirement for success in any field ”

PM-USHA and NEP 2020 - A Pathway to Excellence

Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA), formerly known as the Rashtriya Uchchatar Shiksha Abhiyan (RUSA), is a newly centrally sponsored scheme of Ministry of Education, Government of India, New Delhi. The first phase of RUSA scheme was launched in 2013, then the second phase came on 2018 and now in the light of National Education Policy

(NEP 2020), this centrally sponsored scheme has been relaunched in 2023 as Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA). The primary objective of PM-USHA is to enhance the quality of higher education in India. It aims to cater five pillars of the NEP 2020, viz, accessibility, quality, equity, accountability, and affordability.

The Ministry has laid down following targets under PM-USHA

1. To improve the overall quality of existing Higher Education Institutions (HEIs)
2. Usher transformative reforms in the HEIs
3. Implementations of recommendations of NEP 2020
4. Ensure Governance, Examination and Evaluation reforms in HEIs
5. Creating an eco-system for Research and Innovation
6. Focus on Open and Distance Learning (ODL) through ICT
7. Providing adequate opportunities to Sustainable Development Goals (SDGs): inclusion of women, minorities, SC/ST/OBCs and 'Divyang' persons
8. Enhancing employability through Skill based and Vocational Programmes

9. Improving accreditation status of accredited institutions and getting accreditation of non-accredited institutions
10. Establishing New Model Degree Colleges in the districts, where there are no Government and Government aided institution
11. Focus on multidisciplinary education including Science, technology, engineering, and mathematics (STEM), commerce and humanities
12. Focussing on low GER, Left-wing Extremism, border area districts, aspirational districts and districts with higher SC/ST population

Roadmap for implementation of National Education Policy

The National Education Policy (NEP 2020) aspires to make India VishwaGuru, as it was earlier. While going through history, the concept of multidisciplinary and holistic education has its origin in the ancient Indian knowledge system. Institutions such as Takshashila, Nalanda, Vikramshila and Vallabhi were known for their rich legacy of multidisciplinary approach. But with the passage of time, the boarder learning opportunities got narrowed and gradually in the recent years, the focus moved to specialization in particular subjects, resulting in the growth of single stream institutions. But now, The National Education Policy (NEP 2020), suggests several policy directions for offering multidisciplinary education. Further, it advocates digital education and technology-enabled learning, particularly through social technologies, social networks, and opensource tools for flipped classrooms. It also supports well equipped labs for online learning through MOOCs, SWAYAM with the financial support under RUSA.

There are 16 institutions working under the ambit of Department of Higher Education, Chandigarh Administration. Among these, 10 eligible institutions received grants of ₹2 crore each during RUSA 1.0, while 4 others got grant of ₹ 2 crore each under phase 2.0. Additionally, Panjab University, Chandigarh also got approved grants of ₹ 62 crore under three components i.e. Faculty Improvement ₹7 crore, Equity Initiatives ₹5 crore and Research Innovation and Quality Improvement ₹50 crore respectively. Recently, one college has been approved for a grant of ₹5 crore under the PM-USHA. The funding previously provided by RUSA has facilitated infrastructure improvement, enabling these institutions to enhance access, equity, and excellence. They are now well-prepared to implement the National Education Policy (NEP 2020), starting in the upcoming session 2024–2025

Research and Innovation

To encourage institutions to be more focused on Research and Innovation, Panjab University approved 20 Research Centres have already been established in the areas of Life Sciences, Performing Arts, Commerce, English, Physical Education, Chemical and Physical Sciences. The research labs renovated under RUSA grants provide required facilities to the researchers all under one roof. Number of students have been enrolled under these research centres and many of them have been awarded Ph.D degrees. As per the guidelines, this facility will facilitate in the smooth implementation of NEP 2020.

GER and Equity of Chandigarh

Chandigarh, known for its beauty, has indeed achieved an impressive milestone in higher education. According to the All India Survey on Higher Education (AISHE 2021–2022), the city boasts a Gross Enrolment Ratio (GER) of 64.8%, which places it at the top among both all Union Territories (UTs) and States in India. Chandigarh's impressive GER underscores its dedication to fostering a well-educated citizenry. This success can also be attributed to a confluence of factors, including a deeply ingrained cultural emphasis on learning, targeted outreach programmes aimed at rural populations, robust parental support and continuous efforts of Department of Higher Education, Chandigarh Administration.

	National	Chandigarh
Gross Enrolment Ratio (GER)	28.4 %	64.8 %
Female	28.5 %	75.4 %
Male	28.3 %	56.8 %
Gender Parity Index (GPI)	1.01	1.33
College Population Index (College per lac population)	30	15
Pupil Teacher Ratio (PTR) (Regular Mode, University and Colleges)	23	20

Admission Reforms: New pathways to Higher Education

Chandigarh is a prominent educational hub, attracting students from other states who aspire to study here and build their careers. The city institutions offer a wide range of courses, making students' dreams a reality. The Department of Higher Education, Chandigarh Administration, has implemented numerous initiatives to ensure quality education in all aspects, even during the COVID-19 pandemic. During session 2023–2024, the entire admission process was online such as Online Joint Prospectus, filling of Admission Form, Display of Merit List, Fee deposition through Online Banking, UPI, Debit and Credit card etc. This digital approach aimed to enhance transparency, accountability, and efficiency in admission procedures. Students from across the country had the opportunity to apply for admission in both centralised and non-centralised undergraduate and postgraduate programmes offered by the Government and Privately Managed Aided Colleges, Chandigarh. A total of 45,700 students were admitted to UG and PG programmes in 2023-2024.

Participation in National Endeavors

National Assessment and Accreditation Council (NAAC) and National Institutional Ranking Framework (NIRF) play an important role in promoting quality in higher education system. NAAC conducts a comprehensive assessment using quantitative and qualitative metrics, evaluating aspects like curriculum, teaching-learning processes, faculty, research, infrastructure, and student learning outcomes. This rigorous process culminates in an accreditation grade (A++ to C) that informs student choice and drives institutional improvement. Conversely, NIRF employs a quantitative ranking methodology based on

predefined parameters encompassing teaching learning resources, research output, peer perception and graduate employability. Both the systems encourage healthy competition among institutions and enable students to opt for the best institute. Further, on the basis of inputs received from the State Level Quality Assurance Cell (SLQAC) and State Higher Education Council (SHEC), the Department of Higher Education, Chandigarh Administration motivates and provides all necessary help to the institutions to participate in both national endeavors.
