

**ANNUAL REPORT  
2020-2021  
SRI GURU GOBIND SINGH COLLEGE  
SECTOR-26, CHANDIGARH**

**A.** Institution Innovation Council was established by Sri Guru Gobind Singh College, Sector 26, Chandigarh as per the norms and guidelines of Innovation Cell, Ministry of Education, Government of India during IIC Calender year 2020-21 to systematically foster the culture of innovation and to encourage the creative energy of our students to work on new ideas and innovation and promote them to create start-ups and entrepreneurial ventures. As the challenges in higher education have acquired global dimensions, it has now become imperative for the institution to be more uncompromising in its immediate bearing to the society and prepare ourselves for dynamic reforms. Through IIC, the institution strives to play a major role in creating an innovation ecosystem as well as mentoring and training students to take on global challenges.

### **VISION**

“To encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are in formative years and to cater to the needs of students as well as faculty entrepreneurs with innovative ideas of social relevance and there by disseminating a culture of entrepreneurship in campus which will further boost our education system and there by growing the national economic and social development”

### **MISSION**

“To develop a system with required infrastructure that can enable students to innovate and prototype their ideas with industrial standards and support from Government, industry and reputed academic institutions around the world and help them to realize their potentials”

### **Our Motto**

Institution Innovation Council of our institute strongly believes in promoting creativity and building up the culture of Innovation and skill development. Hence the motto of our IIC is

***“Let Your Ideas Soar with Wings”***

## **Journey of Institution Innovation Council**

Sri Guru Gobind Singh College, Sector 26, Chandigarh has established Institution Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of HRD, Government of India in IIC calendar year 2020-21, comprising of faculty, students and external experts with Dr. Taranjit Rao as president, Dr. Anupama Vashisht as vice president, Dr. Ramandeep Mander as convener and Dr. Jaswinder Kaur and Ms. Meena Jindal as members. To make it more diversified experts from the industry were also included in the council and to make it a student driven activity, ten students from different streams under the leadership of student coordinator, Mr. Ankit Garg are also members of the council. The main purpose of setting up Innovation Cell is to foster a culture of innovation and promote out of box thinking amongst faculty and students and to give a boost to the government's Make-In- India program and to implement National Innovation and Startup Policy (NISP). It strives to promote creative energy of our students so that they work on new ideas and develop their entrepreneurial and innovative abilities.

### **I. List any break through Innovations/Technology Developed at the institute**

The College created a mini urban forest on campus, named Guru Nanak Sacred Forest, having 550 saplings of 37 native species as a tribute to Guru Nanak Dev Ji's ideology. This natural habitat is created with the objective to promote sustainable environment and biodiversity conservation. Trees and forests have been given great importance in Gurbani, hence most of the species selected have socio-cultural roots besides their ecological importance, for instance, Kikar, Jand, Neem, Pipal, Bohr, etc. The purpose of creating this forest is to make a meaningful contribution towards the regeneration of the ecosystem and spreading awareness among the youth who need to understand the concept, the significance and the threat to biodiversity. It is only then that they can play a positive role and take measures for its restoration, conservation, and sustainable use of the vulnerable ecosystem. A Board displaying the common names, botanical names and pictures of 37 species of trees planted in the Forest has been installed. An aesthetic landscaping of the surrounding area adds to the serenity of the forest

## **L. Testimonials from IIC members and external about IIC Institute and IIC of MOE's Innovation Cell.**

**Dr Navjot Kaur**  
**Principal**

I congratulate the whole team of Institution Innovation Council for fostering a culture of Innovation and Entrepreneurship in our institute and organizing several webinars, panel discussions, mentoring sessions etc to enhance creativity and promote out of box thinking, which has encouraged not only students to launch their own startups but also the faculty to come up with innovative ideas.

Through this council we strive to serve the mission of the government of creating Entrepreneurs, based on an action plan aimed at making our students job providers rather than job seekers and promoting implementation of Make in India Program and National Innovation & Startup Policy.

**Dr Taranjit Rao**  
**Associate Professor**  
**President, IIC**

Through Institution Innovation Council of Sri Guru Gobind Singh College, we make a sincere effort to encourage the faculty and students to get involved in innovation and skill development by organizing several entrepreneurial and pioneering activities to unearth the innovative ideas from the young minds. I acknowledge the contribution of IIC, MOE for motivating us and showing us the direction. My heartfelt gratitude to RCED, Chandigarh and Santa Clara University, USA, for their full-fledged cooperation and hand holding support in promoting a culture of innovation in our institute and encouraging our students to write their own success stories by setting up their startups.

**Prof A.K Vashisht**  
**Former Chairman, UBS**  
**Panjab University Chandigarh**  
**Director, Modern Dairies Ltd.**

It is my proud privilege to be associated with Institution Innovation Council of Sri Guru Gobind Singh College, Sector 26, Chandigarh. I have also participated in several webinars and panel discussions organized by it and strongly feel that the institute is going an extra mile to promote innovation and entrepreneurship amongst its students and faculty. The college is striving hard to turn the vision of the government into reality by virtue of their commitment and sincere efforts.

My experience at SGGGS College has taught me many fundamental things...I choose Innovation Cell which converts our ideas into reality. It was the wonderful
